

EUCHRE BASIC RULES

- \$5.00 or \$10 entry per person. Four people to each game table. For 8 players the payout will be top 3 places and 12 or more the payout will be top 4 places
- First black jack dealt will start the deal in the game.
- There will be 8 hands of play per table, (each person deals twice), regardless of score, then that concludes game 1. Your score may be more or less than 10 points.
- If you are set/euchred you and team member place .25 in the cup on the table. This pot will be won by the person with the most loaners at the conclusion of games. In a tie you can either split or cut high card for it.
- If you get a loaner shout to the organizer who will mark your scorecard. The person with the last loaner of the night will be given a prize envelope. It will be passed to whoever has a loaner throughout the night
- There will be no partners best if a player goes alone.
- If a player "renegs", does not follow suit when able to, the opposing team is awarded 2 points and the person that renegs pays .50 in the cup
- If everyone passes the dealer must call it.
- No misdeals for 9's and 10's hand.
- Game winners stay at the table, (but change partners). Losers go to the next table and split up there. If possible, no playing with the same partner during the games.
- If there is a tie at the table, play one additional hand to see who moves. These points do not get included on the scoresheet.
- Table rotation is 1,2,3.
- If there is a tie at games end total score they split. EX: Ties for 1st you split 1st and 2nd place payout or if you agree the two of you cut cards, (highest wins) to determine 1st and 2nd. Place.
- We will play 6 games total
- Add you score up as you go

Euchered: That team pays .25 ea

Renegs: That person pays .50

Please no table talk! Don't insinuate that you may or may not have some to influence your partners call.

Have Fun!!
