Comrades,

As summer winds down and the kids and grandkids head back to school, this is a good time to reflect on the amazing progress the organization has made. Our membership continues to grow, our canteen continues to deliver good times and great food, and we continue to make a difference in the community we serve in the form of charitable giving.

We have several events upcoming to include our inaugural Jeep Jamboree. Volunteers are encouraged to help us make this a successful event that can carry on into the future. Continue to follow our social media accounts and our website to see all upcoming events and keep up to date on all current news.

Always move forward!

QUARTERMASTER/ADJUTANT

Quartermaster's Corner: Post Updates & Facility Improvements

Comrades and Members,

As we continue to look after our grounds, operations, and membership experience here at VFW Post 6710, I want to share a few critical updates straight from the desk of the Quartermaster.

Keyless Access & Security

We are moving forward with modernizing our post entry to ensure seamless, secure management of the facility. As part of upgrading our infrastructure, we are integrating reliable systems—incorporating trusted solutions from providers like ADT for keyless access—to streamline entry for authorized personnel while keeping our home safe.

Social Member ID Cards & Access Control

To maintain fairness and ensure that our facilities are properly utilized by our community, we are rolling out a structured Social Member ID card process and access control system. Clear tracking and identification help us protect post resources and ensure that everyone enjoying our social quarters is accounted for correctly.

Facility Upgrades & Maintenance

Saturday Clean-Up & Deep Clean: All hands are on deck this Saturday for a thorough post clean-up, which includes deep cleaning and servicing the floors. Come lend a hand if you're able so we can keep our common areas looking sharp.

Air Conditioning Maintenance: With seasonal strains on our climate control units, routine air conditioning maintenance has been scheduled/conducted to keep the post comfortable for meetings, lunches, and events.

Activity Drawings & List Fairness

Integrity matters in everything we do. We have cleaned up and redistributed a newly verified list designed to be entirely accurate and transparent. This ensures absolute fairness when drawing names for various post activities, raffles, and events.

Thank you for your continued dedication to making Post 6710 a cornerstone for our veterans and community. Stop by the post, pitch in this Saturday if you can, and reach out if you have any questions about the new access policies.

In Comradeship,
Quartermaster, VFW Post 6710
Blessings.
