# Newsletter July 2019

Comrades,

I hope all is well with everyone. It looks like summer is finally here. Remember to check on our elderly family and friends as the heat increases. Some comrades do not have air conditioning or enough fans. Also, as you are out and about remember to keep hydrated yourself. Beer and alcohol do not count.

I would like to talk about commitment for a minute. When you join a group or club for whatever reason, you have committed to support and help the organization complete their mission. When commitments are made and then not followed, you let that organization down that was counting on you to step up and perform the duties you accepted. So, if you commit to something please follow through and do the things you say you will do, remember other people may be counting on you. With this being said to do what to thank EVERYONE who steps up and helps at the Post with the events and the fund raiser, who cannot do it without your commitment. THANK YOU.

A quick reminder that our newsletters are on our webpage, [www.vfw6710.org](http://www.vfw6710.org), under the heading of news and events. If there is something you would like to see on our webpage let me know and I'll see what can be done.

Respectfully,

Richard L. James  
Post Commander, VFW 6710

# QUARTERMASTER

First and foremost, I want to welcome the new Officers for their 2019/2020 term. With your help we hope for continued success in keeping the Post moving in the right direction. There have been plenty of improvements and repairs made around the Post over the past few years, due to members coming together and working with our volunteers to make these accomplishments. Though there is more work and repairs to be made, we're proceeding one step at a time.

I hope everyone had a fun filled and enjoyable July 4<sup>th</sup> with family and friends. The month of July and August are the Post most busiest with scheduled activities and events that we hope our members and community will come out to support. Our canteen Manager, (Theresa) along with our canteen committee work together to schedule a variety of events that everyone can enjoy.

Every once in a while, it is brought to the attention of the Officers to remind our members the Post have "House Rules" which everyone must obey. The Post is known for its friendly environment and we wish to keep it that way. We ask that "Attitudes" be checked at the front door and remind members; they are responsible for their quest.

Again, I want to thank Theresa, the Bartenders and Volunteers for the excellent job they do for the Post and our members.

Quartermaster,  
Dennis Harris
